STYLEX

In-graded Fabric / Leather Program

Stylex, in conjunction with Camira, CF Stinson, Dani, Designtex, Edelman, Elmo, Garrett, Green Hides, Knoll, Maharam, Momentum, and Ultrafabrics, is now offering all the patterns listed on the following pages as part of its standard program. To see these patterns, refer to the supplier's binder or web site.

Any in-graded selection not listed in these charts will be considered COMs. They will therefore be subject to our standard COM procedure.

Leadtime

Leadtimes for chairs upholstered with in-graded fabrics are subject to availability of the actual fabric selected. While these suppliers generally have a consistent record of filling orders promptly, there may be temporary conditions affecting availability. Furthermore, patterns from this group may be discontinued at any time.

Fabric Orientation

Fabric will be oriented on the product according to our best judgement. Unless we are given specific instructions to do otherwise. Such instructions must be given using the form in the COM procedure section.
