Rolled Side

The option of a 'Rolled Side' is offered on Double Seats, Double Full Seats, Chaise Right, and Chaise Left units capping the end of a layout. Seam direction is altered from the standard 'Rolled Front' for a consistent pattern with adjacent seats. This enables striped and patterned fabrics to line up across units.

Please refer to the sample layouts on this page as a reference for each 'Rolled Side' unit.

Selection of rolled side units will be reviewed and suggested by Stylex per customer layout. Refer to page 8 for pricing information.
