**Design**

Stylex

**Construction**

Multi-density, open-cell polyurethane foam is adhered to CARB-Certified internal plywood frame. All seat and back foam surfaces are overlaid with Dacron for enhanced feel and comfort. Dymetrol® webbing is used at the foundation of all seating surfaces to provide additional, flexible support.

**Legs**

Metrum is available with cast aluminum or wood legs. Cast aluminum legs may be powder coated in a variety of finishes, or ordered as polished cast aluminum. Wood legs are available in maple, white oak, and walnut. Adjustable glides are standard.

**Tables**

A selection of in-stock Caesarstone, solid surface, and wood tables is available.

**Arms**

Metrum offers two categories of arms – end arms that can only be added to the outside ends of a unit, and mid-arms that can be added between units in a continuous layout.

**Configuration**

While Metrum offers traditional stand-alone units (single seat, double seat, and triple seat), it is at the same time fundamentally flexible. The modular armless seats, corners, arms, and tables have all been designed to encourage creation of a wide variety of set-ups. Units next to each other in a continuous layout share a mid-leg that supports both units. To ensure clarity when ordering modular set-ups, it is critical that line items should be listed in the order in which they will be connected from left end (seated perspective) to right end.

**Power**

Optional power receptacles are available for surface mount in tables or undermounted on the front of seat units by either the left or right leg. Power units contain 2 USB ports and a standard, grounded 3-prong electrical outlet.

**Testing**

Manufactured to comply with ANSI/BIF-MA X5.4 Lounge Seating Tests.

**Environment**

Greenguard certified.
